Bethel, Maine 04217

October 2012

Dear Friends/Neighbors/Members of Albany Township:

The Albany Improvement Association (AIA) would like to thank those who have supported our organization in the past. Your generosity has helped our continuing efforts to restore the Albany Town House and to make it a meeting place for the entire community. During the summer months we have had two extremely successful events that filled the Town House, much to our delight. The Board of Directors would like to encourage residents and friends to make use of our newly renovated facility for various organizational meetings/functions, family gatherings (such as reunions, bridal and baby showers), music concerts, art exhibits and public meetings. To make a reservation, email tangfam@megalink.net. Work is also being done to put up displays about the history of the Albany area, and a local artist is going to paint the mural we requested in our Spring 2012 Newsletter. Many other volunteers have stepped forward to help, and we sincerely thank them as well.

We are also delighted to announce that a generous fundraising opportunity has been presented by Larry Stifler and Mary McFadden. Mary and Larry have agreed to match any funds that are raised through December 31, 2012. Plans for funds raised include landscaping, refurbishing antique benches, purchasing new display cases for historical documents, and painting and lighting the exterior of the building, to name a few.

Please help us take advantage of this matching fundraising campaign by making a generous contribution today. We are enclosing a self-addressed envelope for your convenience, along with a donation card.

Thank you again for your generosity.

Sincerely,
The Albany Improvement Association
